

OTHER NOTICES ...

Young Church had a fantastic day out at Hunmanby Gap last Sunday. The sun shone all day, temperatures soared tempting almost everyone into the sea! The children kayaked and paddled but mostly surfed the waves on their bodyboards. Even Barry could be seen flying through the surf! We finished a great day out with fish and chips whilst the traffic died down, enabling us to have a quick journey home. Perfect!

Did you watch any of the **Methodist Conference** on the internet last week? Some of the footage is still available via www.methodist.org.uk (click on the link 'How to Watch Again' if you want to catch up on keynote speeches, concerns and testimonies, particularly by some of the younger members of the church which were moving and encouraging. Rev'd Gareth Powell, who is Secretary of the Methodist Conference, is our guest speaker next week at the Circuit Celebration.

Would you like to encourage some of the younger members of the Methodist Church?

3Generate is the Methodist Children and Youth Assembly which takes place in November this year. We have been asked to write **handwritten letters** to be displayed at the Assembly for the 8-23 year olds to read to help them feel connected to and part of our big Methodist family! We are asked to say something of our **faith story** that would interest them, and our **experience of being part of a church**, perhaps when we were young as well as now. Tell them **key things you have learned about life and faith** that would help them and encourage them to be courageous in their own faith. We are asked to remember to make sure that the language used and content is appropriate for the age group. If appropriate we can tailor our letter to a specific age, eg 8-11, 12-15, 16-23, just note that in the heading. Then sign the letter with your Christian name only, no surnames, addresses or other contact details please. One side of A4 preferably, to be sent to: 3Generate 1000 Letters, 6th Floor, Methodist Church House, 25 Marylebone Road, London, NW1 5JR [before](#)
