CHRISTMAS CRAFTERNOON FAIR SATURDAY 24th NOVEMBER

This is just 2 weeks away, so please don't forget to sign up on the sheet in the corridor to say that you are able to help on the day. We still need more items to sell and various goods for stalls - see the sheet on the Rotas notice board for more details. The 'donations' box will be at the back of church. We have another Craft night tomorrow (12th) and will also need lots of help on 19th at 7pm, to sort out various prizes etc and other preparations for the big day.

Men's Group Meal

Don't forget the Men's Group meal together at the Lord Nelson at Nether Poppleton on Thursday 15th November, please arrive at 7.30pm for 7.45pm. **All men are welcome.** Please contact Ian on York 791877 if you are interested.

A very big **thank you** to all who have contributed poppies for today's special 100th Anniversary of Armistice Day, to the people who attached all the poppies to the cross and to those who made wreaths.

DELIVERING FLYERS TO THE LOCAL COMMUNITY

We have had some flyers printed to remind those living locally about the Christmas Crafternoon Fair. We have also put details of all our Christmas activities on them too. So we need your help to deliver them please.

There will be a sign up list at the back of church so that streets aren't duplicated. Why not do this with a friend or two, you might even want to silently pray for the residents of each home as you pop them through the letterboxes.

Creator God, who brings one day to a close and a new day to dawn, we remember those who gave their lives today that we might have a tomorrow. We remember when the lights went out in two world wars and in many lesser conflicts; when millions died in foul trenches or mass genocide; when six million died in gas chambers; when thousands died from acts of terror or revenge. We mourn for the goodness and wisdom that died with them; for the skill and wit that perished; the learning, the laughter and the leadership that were lost.

War is the price we pay for the selfishness of peoples; for greed, pride, and hatreds unattended to. Let us confess our share in what is wrong and our failure to build peace based upon good relationships and just dealings.

This world is home to one vast human family; we sleep beneath one roof, the starry sky; we warm ourselves before one hearth, the blazing sun. Upon one floor of soil we stand, and breathe one air and drink one water, and walk the night beneath one luminescent moon.

The children of one God, we are brothers and sisters of one blood, and members in one worldwide family of God. May Peace prevail in our world, now and for ever. Amen.
